Following the sale, Auctioneer and Expert-in-charge, Thomas Del Mar, commented: "The sale was almost entirely sourced from our long standing private clients and this attracted considerable interest. The preceding days saw a well-attended view and we were delighted to have a full room and a large volume of telephone, internet and commission bids. I was particularly pleased that the jack of plate and sleeves were acquired by a national museum."

NEXT AUCTION: JUNE 28, 2017
